RE: **In-Depth Bible Seminar for International Students, May 17-24, 2017**

*The annual week-long leadership training conference for international students will take place from Wednesday, May 17 to Wednesday, May 24, 2017, at Sojourn: A Christian Retreat, Dittmer (St. Louis), Mo. Please identify **Christian and "Serious Seeker"** international students connected with your campus ministry who are leaders or potential leaders for Christian outreach and training and invite them to participate in this conference. **If you have sent others in previous years, you realize what an important event this seminar is for many who have attended.***

Again, this year we continue to welcome "serious seekers" (those involved in Bible study for at least six months). The ISM, Inc. Board believes that Christians and "serious seekers" are a good mix; Christians will share the Good News and seekers may come to receive Jesus as Savior. Our goal is to have 20-plus students at the conference.

The week-long training is designed to provide leadership skills for international students in order that they might:

1. Better understand the basic teachings of the Christian faith
2. Gain skill and confidence in sharing the faith with non-Christians
3. Develop more fully in their personal faith
4. Grow as leaders of small groups

Along with this letter you will find the registration form and schedule. This information and a short video about the seminar is available at www.isminc.org/conferences. Just a reminder: **You or a staff member responsible for international ministry must sign the registration form.**

PLEASE SHARE THE ACCOMPANYING SHEETS WITH PROSPECTIVE PARTICIPANTS!

In His service,

Sharon
